NOTE FOR: Director of Central Intelligence  
FROM: Director, Office of Legislative Liaison  
SUBJECT: Status of Congressional Correspondence

3 JUL 1984

(a) Boland letter re KAL: Action had been transferred to ICS by our Liaison Division--rationale being that NSA had been up front on this previously. No specific action underway there. I have retrieved it and will have the response compiled from NSA and/or other contributors.

(b) Goldwater letter re EEO case [redacted]  
[redacted] were briefed--no written response required. Senator Goldwater was not involved until May 1984. (The Agency EEO system simply fell apart in 1981-1982. Routine case review in 1984 surfaced this case. It has since been expedited: two of three complaints dismissed. NSA is adjudicating on our behalf, per delegation from the EEO Commission. [redacted] was an NPIC contract employee whose contract was not renewed.)

#84-2052

The Honorable William J. Casey  
 Director of Central Intelligence  
 Central Intelligence Agency  
 Washington, D.C. 20505

Dear Bill:

On May 22, I wrote to you concerning retired Air Force Major [redacted]. I asked that you inform me of the Agency's position with respect to [redacted] Equal Employment Opportunity complaints. On June 11, I received a response from your Director of Legislative Affairs informing me that [redacted] case is "in administrative processing under the EEO regulations" and that it would be "inappropriate" to comment on his claims.

Bill, I already knew that [redacted] complaints were in administrative processing; that's why I wrote to you in the first place. The material which I sent to you with my first letter indicates that [redacted] complaints have been pending since 1977! The answer I received to my letter is grossly inadequate. Surely you do not really mean to have the Agency take the position that this Committee is foreclosed from inquiring into matters such as [redacted] complaints if they are in "administrative processing." That would be in direct conflict with the role of this Committee, and completely unacceptable to me.

Bill, all I'm asking for is a report on whether there is any justification for [redacted] allegations. I would like to have a full report in writing prior to the Congressional recess which begins on June 29. I also want to know why it has taken so long for [redacted] complaints to be processed.
